RE: Brian Rainey, Raindrop Entertainment

Our relationship with Brian Rainey and Raindrop Entertainment goes back several years. We have always found him to be a well organized, efficient and reliable link to the music world. This is a rare find in any industry, but especially the music industry.

Brian has proven to be flexible, honest, resourceful and most importantly a pleasure to deal with, and although the myriad nature of our requests are sometimes difficult to fulfill, he has always delivered with courtesy and aplomb.

Yours truly,
THE REMINGTON GROUP INC.
